

MINUTES OF MEETING OF BOARD OF SUPERVISORS
JULY 6, 2021

THE STATE OF TEXAS
COUNTY OF HARRIS
MEMORIAL VILLAGES WATER AUTHORITY

§
§
§

The Board of Supervisors (the "Board") of Memorial Villages Water Authority (the "Authority") met in regular session, open to the public, on July 6, 2021, at the Authority's office at 8955 Gaylord, Houston, Harris County, Texas at 7:00 p.m., whereupon the roll was called of the members of the Board, to wit:

Gary Schenk, President
Will Wilson, Vice President
Randolph Ewing, Secretary
Veronica Roa, Assistant Secretary
Cathy Stubbs, Assistant Secretary
Unal Baysal, Assistant Secretary
Locke Braly, Supervisor

Persons Attending. All members of the Board were present, except for Supervisor Wilson and Supervisor Baysal, thus resulting in a quorum. Also attending were Mr. Trey Cantu, General Manager of the Authority; Mr. Norman Gutierrez of Langford Engineering, Inc. ("Langford"), Engineer for the Authority; Ms. Kathleen Ellison and Ms. Kaitlyn Malek of Norton Rose Fulbright US LLP ("NRF"), Attorneys for the Authority; and Ms. Andrea Hermann, resident within the Authority.

Call to Order. The President called the meeting to order in accordance with notice posted pursuant to law, a copy of the Certificate of Posting of which is attached hereto as Exhibit "A," and the following business was transacted:

1. Public Comments. Ms. Hermann inquired about the Magdalene Corridor project and if there were any updates. President Schenk stated that this is a Hedwig Village project, but the Authority will be coordinating with Hedwig Village to install water lines. Both he and Mr. Cantu said they would be coordinating with Hedwig Village on the project.

2. Approve minutes of the June 1, 2021 regular meeting. Proposed minutes of the June 1, 2021 meeting, previously distributed to the Board, were submitted for consideration and approval. Upon motion by Supervisor Braly, seconded by Supervisor Roa, after full discussion and the question being put to the Board, the Board voted to approve the minutes of the June 1, 2021 regular meeting, as revised. Supervisor Ewing said he was not at the meeting and abstained from voting.

3. Status report on Gaylord Water Plant project and take any necessary action. The President recognized Mr. Gutierrez, who stated that work on the Gaylord Water Plant is moving forward as scheduled and there are no major updates. Mr. Gutierrez presented to the Board

pay estimate no. 1 in the amount of \$207,675.00 to Wharton-Smith, Inc., a copy of which is attached hereto as Exhibit "B."

Mr. Cantu reported on an incident involving a large pecan tree. He stated that due to all the rain and ground saturation the tree fell down, damaging the Authority's fence. He said some residents were asking about adding magnolia trees to shield the plant. Extensive discussion ensued.

Upon motion by Supervisor Ewing, seconded by Supervisor Stubbs, after full discussion and the question being put to the Board, the Board voted to approve pay estimate no. 1 in the amount of \$207,675.00 to Wharton-Smith, Inc.

4. Status report on Wastewater Treatment Plant Grit Classifier project and take any necessary action. Mr. Gutierrez stated that all submittals have been received and approved. He stated that the contractor is scheduled to mobilize on July 26 and the Grit Classifier should be complete by August 18.

5. Status report on Risk and Resiliency Plan and take any necessary action. Mr. Gutierrez stated that at the last month's meeting the Board approved the Risk and Resiliency Plan. He stated that since then Langford has certified to the EPA that the assessment was completed. He reported that when the receipt has been received he will forward it to the attorney and general manager for their files.

Mr. Cantu discussed with the Board the Authority's SCADA system. He stated that at this time he does not believe the Authority needs a backup contractor for the SCADA system. He said he believed he could obtain a contractor to repair the system fairly easily since it is a small system. He reported that if the system fails, there are several backups. The Board deferred to Mr. Cantu's judgment.

6. Consideration to approve release of 10' utility easement to abandon sanitary sewer line at Hedwig Medical Office Building at 8731 Katy Freeway. Mr. Cantu presented a release of easement requested by the developer of the Hedwig Medical Office Building, a copy of which is attached hereto as Exhibit "C." The Board confirmed that the Authority had replacement easements in place. Discussion then ensued regarding whether the sewer pipe was still in the ground and the need for the Authority to be indemnified if that is the case. Upon motion by Supervisor Roa, seconded by Supervisor Stubbs, after full discussion being put to the Board, the Board voted to approve the release of easement, subject to confirmation that there is no pipe in the easement to the satisfaction of the General Manager of the Authority.

7. Temporary Access Easement and Construction and Indemnification Agreement for 10 Farnham Park. Mr. Cantu stated that there is no update on this item. It was the consensus of the Board to table this item until further information has been brought forward.

8. Consider and take any necessary action in connection with Authority Water and Sewer Rates. Mr. Cantu updated the Board on the Capital Improvement Projects ("CIP") list, stating that he is currently working with Mr. Gutierrez on developing the priorities and should have a completed master plan by the September meeting.

9. **Consider and take action to approve 2-year Ad Valorem Tax Collection Contract with SBISD.** Mr. Cantu presented to and reviewed with the Board a copy of the Ad Valorem Tax Collection Contract with Spring Branch Independent School District, a copy of which is attached hereto as Exhibit "D." Mr. Cantu said the contract was substantially similar to the current contract with Spring Branch ISD. Upon motion by Supervisor Ewing, seconded by Supervisor Roa, after full discussion and the question being put to the Board, the Board voted unanimously to approve the Ad Valorem Tax Collection Contract and authorize its execution.

10. **Consider and take action to approve purchase of two (2) 2022 Chevrolet Pickup Trucks from Caldwell County, a BuyBoard vendor.** Mr. Cantu presented to and reviewed with the Board the contract pricing for two Chevrolet pickup trucks, a copy of which is hereto attached as Exhibit "E." He stated that the reason for the purchase is to replace two existing trucks that have extensive mileage. He stated that the Authority has used BuyBoard as a vendor in the past and found that their pricing is the best. He stated that the old trucks will have the Authority's logo completely removed before sending them to be salvaged. Discussion ensued. Upon motion by Supervisor Braly, seconded by Supervisor Roa, after full discussion being put to the Board, the Board voted to approve the purchase of two 2022 Chevrolet Pickup Trucks from Caldwell County, a BuyBoard vendor, in the amount of \$54,350.00.

11. **Consider and approve action related to the HGSD Water Wise Conservation Program for the 2020-2021 school term.** Mr. Cantu presented to and reviewed with the Board a copy of an Interlocal Agreement with the Harris-Galveston Subsidence District, a copy of which is attached hereto as Exhibit "F." Mr. Cantu explained that under the Interlocal Agreement, the Authority would commit to buy Water Wise kits for 9,000 students to teach them about water conservation. Discussion ensued regarding the groundwater certificates. Upon motion by Supervisor Roa, seconded by Supervisor Stubbs, after full discussion and the question being put to the Board, the Board voted unanimously to approve an Interlocal Agreement with HGSD in the maximum amount permitted and authorize its execution.

12. **Manager's Report including: monthly water samples, Wastewater Treatment Facility's monthly discharge compliance, Tax Recap, Investment Report on the Authority's investments, monthly Identity Theft Compliance Report, and any other matters concerning business of the Authority.** Mr. Cantu presented to and reviewed with the Board the Manager's Report.

Mr. Cantu presented the Wastewater Treatment Facility Monthly Operating Report, a copy of which is attached hereto as Exhibit "G." He stated that there were no violations this month and that everything is in compliance.

Mr. Cantu presented the Monthly Tax Office Report, a copy of which is attached hereto as Exhibit "H."

Mr. Cantu reported that the Authority hired a temporary employee named Daniel Murphy. He stated that Mr. Murphy is a hard worker and a great asset to the team.

Mr. Cantu reported that there were no identity theft issues within the month.

Mr. Cantu presented the Funds Balance – Investment Report, a copy of which is attached hereto as Exhibit "I."

13. Authorize payment of bills. Upon motion by Supervisor Ewing, seconded by Supervisor Stubbs, after full discussion and the question being put to the Board, the Board voted unanimously to approve payment of the bills, a list of which is attached hereto as Exhibit "J."

14. Consider Purchase of property from Chapelwood Church and take any necessary action. Upon motion by Supervisor Roa, seconded by Supervisor Stubbs, after full discussion and the question being put to the Board, the Board voted unanimously at 8:09 p.m. to convene in executive session pursuant to Section 551.072, Texas Government Code to discuss the possible purchase of the property from Chapelwood Church. At this time Ms. Hermann left the meeting. Extensive discussion ensued. Upon motion by Supervisor Ewing, seconded by Supervisor Roa, after full discussion and the question being put to the Board, the Board reconvened in open session at 8:29 p.m. Mr. Cantu confirmed there were no members of the public waiting to enter the meeting.

THERE BEING NO FURTHER BUSINESS TO COME BEFORE THE BOARD, the meeting was adjourned.

THE STATE OF TEXAS

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF HARRIS

This memorandum of contract is made and executed this ____ day of August, 2021 by and between the Memorial Villages Water Authority, a conservation and reclamation district and political subdivision of the State of Texas, being organized and existing under the laws of the State of Texas and being located in Harris County, Texas hereinafter called "Water Authority," and the Spring Branch Independent School District, a body politic and corporate, hereinafter called "District";

WHEREAS, Water Authority has requested District to assess and collect ad valorem taxes for said Water Authority; and

WHEREAS, it will be to the mutual benefit of both parties to enter into such an agreement; now therefore

FOR AND IN CONSIDERATION of the premises and benefits described below, Water Authority and District hereby enter into the following agreement:

1. District agrees that its Tax Assessor-Collector will assess and collect all ad valorem taxes for Water Authority and perform all the necessary services with regard to assessment and collection of said Water Authority's taxes with the exception of legal services incidental to the collection of delinquent taxes. In the performance of such necessary services, the Tax Assessor-Collector will apply the applicable rules, regulations, and Board Orders of Water Authority.

2. This contract shall be for a period of two (2) years, beginning on the 1st day of September 2021, and ending on the 31st day of August 2023.

3. District agrees to make deposits to the Depository of Water Authority of all taxes collected on behalf of Water Authority at least once each week. In the interim, the district will deposit collected taxes in an account with District's depository which is secured in accordance with applicable law.

EXHIBIT

D

4. Water Authority agrees that it will pay to District, as compensation for performing this service, a fee which shall be the sum of five dollars (\$5.00) per account for each annual tax period, plus postage expenses, incurred by District on behalf of the Water Authority. District will submit a statement for the services so rendered and payment for said services will be made to District on or before February 1. Payment for said services shall be made from current revenues available to Water Authority.

5. Water Authority and District recognize that the Harris County Appraisal District is responsible for appraising the property that is subject to taxation by Water Authority and District. Water Authority or District, separately in its own name and on its own behalf, may challenge any act or omission of the Appraisal District and any decision to make such challenge or not, by either Water Authority or District, shall not be binding on the other.

6. District will not be liable to Water Authority for any failure to collect taxes, nor shall District's Tax Assessor-Collector be liable unless such failure to collect taxes results from the failure of the Tax Assessor-Collector to perform its tax assessment and collection duties in the manner and in accordance with the standards imposed by law. District's Tax Assessor-Collector shall furnish a bond in the sum of statutory minimum payable to and approved by Water Authority and conditioned on the faithful performance of the duties as Tax Assessor-Collector. The cost of such bond shall be paid by Water Authority.

7. District's Tax Assessor-Collector shall prepare a written monthly statement of all amounts collected for the benefit of Water Authority, and such reports of collection made in the months of October through January are due on the twenty-fifth (25th) day of the month following the month that is the subject of the report. Reports of collections made in all other months are due the fifteenth (15th) day of the month following the month that is the subject of the

report. Water Authority will be permitted to audit the tax records at a reasonable time mutually agreed upon by both parties.

8. The tax office is to remain under the administrative control of the Tax Assessor-Collector of District.

9. In the event any provision of this contract is inconsistent with the statutes of the State of Texas, the statutes of the State of Texas shall control and the District's Tax Assessor-Collector will discharge these duties in accordance therewith.

10. District agrees to furnish to Water Authority a written list of each delinquent taxpayer, the delinquent taxpayer's address, the amount of the delinquency, and the designation of the property involved, by July 1st of each year. District agrees to coordinate with the Water Authority's delinquent tax attorney and to collect delinquents taxes, including any additional penalties and interest due including personal property delinquencies which may be due prior to July 1st. District further agrees that by August 1st, or as soon thereafter as practical each year, the Tax Assessor-Collector will provide Water Authority with the Harris County Appraisal District's certified estimate of the total appraised value of all property in the Appraisal District that is taxable by Water Authority.

11. This instrument contains the entire agreement between the parties, shall replace all prior agreements with regard to the assessing and collecting of ad valorem taxes heretofore made between the parties and any modifications of this instrument shall be of no force and effect except by a subsequent modification, in writing, signed by all parties hereto. The Agreement shall bind and be for the sole and exclusive benefit of the respective parties and their legal successors.

Re: Interlocal Agreement for Memorial Villages WA

Dear Sponsor:

Thank you for your support of the Water Conservation Program for the 2020-2021 school year. Your sponsorships brought the WaterWise program to almost 25,000 students in Harris and Galveston county schools! In addition, your sponsorship supports the District's grant program and the Water My Yard program. All of these programs help our region prevent land subsidence through direct water conservation efforts; for more information visit www.hgsubsidence.org.

Enclosed, you will find your interlocal agreement for the 2021-2022 school year cycle. Please return the signed interlocal agreement and updated contact information by 8/01/2021. We also ask that you please complete the contact form included with this letter.

In addition to this important educational program that you are supporting, we encourage you to share and utilize the new SmarterAboutWater.org. This new website, developed and maintained by the Subsidence District, is intended to be the one-stop-shop for water conservation resources in the Gulf Coast region. Let us know what your thoughts on the new website and if your District has water conservation content you would like to share, please email us at smarteraboutwater@subsidence.org.

The Subsidence District would like to thank you for your participation as a sponsor in our Water Conservation Education Program. If you have any questions please don't hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Kristi Pierce'.

INTERLOCAL AGREEMENT

This Interlocal Agreement ("Agreement") entered into by and between the Harris-Galveston Subsidence District, a body corporate and politic under the laws of the State of Texas ("Subsidence District") and Memorial Villages WA, also a body corporate and politic under the laws of the State of Texas ("Sponsor").

WITNESSETH:

WHEREAS, the Subsidence District is the regulatory agency responsible for preventing subsidence through reduction of groundwater withdrawals governed by Chapter 8801, Special District Local Laws Code, which specifically provides that the Subsidence District may cooperate with "any local government to establish water conservation goals, guidelines, and plans to be used within the district"; and

WHEREAS, the Subsidence District cannot achieve water conservation goals without the cooperation and assistance of the public water supply systems; and

WHEREAS, the Subsidence District has designed a Water Conservation Education Program to increase water conservation awareness and activity primarily through education of elementary and intermediate students along with other water conservation program objectives and initiatives; and

WHEREAS, education in water conservation methods and technology has been demonstrated as an effective means of reducing water demand in households and businesses; and

WHEREAS, the education of elementary and intermediate students, "Be a Water Detective - Learning to be WaterWise" has been tested in several area schools; and

WHEREAS, the plumbing retrofit devices used as part of the elementary and intermediate school education program have been tested in the Harris County Municipal Utility District No. 55, jointly sponsored by that district, the Texas Water Development Board, and the Subsidence District, and

have demonstrated an average savings of 1,400 gallons of water per month per kit utilized and properly installed; and

WHEREAS, the Sponsor is also dedicated to conserving water supplies and providing outstanding service to their customers and taxpayers; and

WHEREAS, the governing bodies of the Subsidence District and the Sponsor have duly authorized this Agreement; and

WHEREAS, this Agreement is made pursuant to Chapter 791, Tex. Gov. Code, the Interlocal Cooperation Act.

NOW THEREFORE, for and in consideration of the mutual promises and representations herein contained, the parties hereby agree as follows:

I.

PROGRAM ADMINISTRATION

1.01 The Subsidence District will coordinate the Program by establishing and maintaining programs designed to achieve reductions in water demand in municipal, industrial, commercial, educational, agricultural, recreational, and household use. In-school water conservation education programs may include:

- (A) providing school curriculum and home retrofit kits, including the teacher's guide, teaching aids, internet supporting materials, and mobile applications, to area schools.
- (B) providing in-service training to teachers and all support functions such as slide presentations, video presentations, publications, and program outlines;
- (C) conducting an evaluation of the program, collecting and analyzing voluntarily provided evaluation forms from teachers, students, administrators, and parents, and provide the evaluation results to the Sponsor;
- (D) providing information related to other water conservation program objectives and initiatives; and

(F) providing all necessary documentation to the Texas Education Agency, Texas Water Development Board, and Texas Commission on Environmental Quality.

1.02 The Subsidence District shall provide water conservation credits as follows:

- (A) The Sponsor shall receive a Certificate of Deposit water conservation credit equal to 84,000 gallons of groundwater for each Program sponsorship.
- (B) The Sponsor may hold, transfer, sell, or redeem the Certificates of Deposit at any time, provided, however, that the Certificates of Deposit will be honored by the Subsidence District for no longer than 20 years after the date the Certificate of Deposit is issued.
- (C) Redemption of the Certificate of Deposit requires the Subsidence District to increase the redeemer's permitted groundwater allocation by the amount of the water conservation credit by a maximum of 30% of the permittee's total water demand. This absolute right to increase the groundwater allocation by up to 30% of the permittee's total water demand does not in any way affect the other terms and conditions of the groundwater permit and all groundwater withdrawals will be subject to the permit fees and other rules of the Subsidence District in effect at the time of the permit.

1.03 The Subsidence District shall perform all coordination activities without additional charge to the Sponsor.

II.

PAYMENT

2.01 The Sponsor agrees to 7900 sponsorships for the Program for one year from the date of the execution of this Agreement for any school in any ISD.

2.02 The Sponsor hereby agrees to pay to the Subsidence District, promptly upon receipt of an invoice from the Subsidence District, the total amount due, which is equal to \$38.00 per sponsorship. The above payment shall provide sponsorship for one year.

2.03 Upon renewal of this Agreement, the Sponsor may seek to adjust the number of sponsorships by

providing a written request to the Subsidence District.

2.04 The Sponsor warrants that funds to support this program have been budgeted for the current fiscal year and will continue to be budgeted each year this Agreement is renewed.

2.05 This cost represents the sole monetary obligation of the Sponsor in exchange for and in consideration of the Subsidence District's obligations hereunder.

III.

TERM AND TERMINATION

3.01 The term of this Agreement shall be from the effective date hereof until termination by non-renewal by the Sponsor or termination of the program by the Subsidence District. This Agreement may be renewed annually with written authorization of the Sponsor and approval of that authorization by the General Manager of the Subsidence District.

3.02 The Certificates of Deposit in the Groundwater Bank shall be transferred to the custody of the Sponsor upon receipt of payment from Sponsor, and shall be honored by the Subsidence District for no longer than 20 years after the date the Certificate of Deposit is issued.

IV.

MISCELLANEOUS

4.01 Subsidence District is engaged as an independent contractor, and all of the services provided for herein shall be accomplished by Subsidence District in such capacity. The Sponsor will have no control or supervisory powers as to the detailed manner or method of the Subsidence District's performance of the subject matter of this Agreement. All personnel supplied or used by the Subsidence District shall be deemed employees or subcontractors of the Subsidence District and will not be considered employees, agents or subcontractors of the Sponsor for any purpose whatsoever.

4.02 Each party to the contract is paying for the performance of the contract from current revenues

and will pay for each subsequent year this Agreement continues from the revenues budget for that year. The parties agree that each party is paying fair compensation for the services or products rendered.

4.03 This Agreement merges the prior negotiations and understandings of the parties hereto and embodies the entire agreement of the parties, and there are no other agreements, assurances, conditions, covenants (expressed or implied) or other terms with respect to the Project, whether written or verbal, antecedent or contemporaneous with the execution hereof.

4.04 The Subsidence District may not assign or delegate any portion of its performance under this Agreement without the written consent of the Sponsor.

4.05 The Subsidence District shall remain obligated under all clauses of this Agreement that expressly or by their nature extend beyond the expiration or termination of this Agreement, including the obligation to honor Certificates of Deposit in the Groundwater Bank as provided in Section 1.02.

IN WITNESS WHEREOF, the parties put their hands to this Agreement on the dates indicated below. This Agreement shall be effective on the date of the last signature hereto.
